# How To Find An Adwords Certified Partner

Looking for the right Adwords Certified Partner for your business?

Google has it sorted. You can look at all the google partners profiles at the below link:

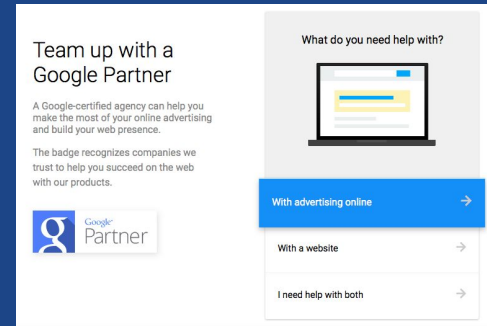

<https://www.google.com/partners>

# How To Find An Adwords Certified Partner

In the top right hand corner click the “Find a Partner” button.

You will see the above page and can choose help with a website or with advertising, when you click on advertising you will see the below page:

# How To Find An Adwords Certified Partner

Team up with a Google Partner

✔ OK, great!

Enter your website address and let us know where you'd prefer your Google Partner agency to be located.

What's your website?

Preferred agency location?

Enter your website address

I don't have a website or I'd prefer not to enter one.

Location  
United Kingdom

View your results

You can choose to add your website, or select that you would prefer not to and then if you want a local partner, you can add your location, or just keep this as your desired country. Once you click “view your results”, you will see a list of potential Adwords certified partners:

 ETHICAL  
MARKETING SERVICE

# How To Find An Adwords Certified Partner

Once you have viewed some profiles, you may wish to contact a partner and can do so by clicking the “contact” button under the logo.

## Google Best Practices

Google Partners have certain best practices they have to adhere to in order to qualify for partner status. An example of this can be viewed below, this is Ethical Marketing Services best practices and is well above average google partners:

## What are the benefits to hiring an Adwords Certified Partner?

- Higher probability of favourable ROI
- Adwords expertise proven through exams
- Adwords Policy agreements

You can see Google's opinion on this [here](#)

## Ethical Marketing Service Qualifications

I have recently updated all my exams and my certificates are below:
